

Introducing [Stay247.com](http://stay247.com)

[Stay247.com](http://stay247.com) is an established Australian online accommodation provider, offering accommodation across Australia and recently launching into New Zealand, we are growing on a daily basis.

Now connected to Seekom

Here's why you should load your room rates with stay247.com:

1. NO costs involved in listing with stay247.com
2. Only 10% commission ALWAYS of total booking regardless of when booking is made
3. No Invoicing ever – we automatically pay by EFT to your bank account, you will receive a statement for each payment
4. Quick payments – fortnightly for previous 14 days accommodation stays.
5. Easy to load your property however stay247.com staff will load for you at no cost
6. Connected to Seekom – making it even easier for you to manage your rates, allotments and yield!
7. Rates loadable up to 4 months out
8. Rates displayed in for Australia in AUD and New Zealand NZD – payments made in local currency.

Loading your property is an easy process, because our product team will do it for you! Just send an email Brent Cooper the Managing Director at bcooper@stay247.com and we will get you on your way, or you can choose to load yourself – you'll find it very easy.

Also let us know that you are using Seekom as your Channel Manager

So check out our easy to use website today at www.stay247.com and we look forward to having you on board.

If you have any questions please do not hesitate to ask

Best Wishes

Brent Cooper | Managing Director
